PROJECTS

Wellness Hub

React, Tailwind CSS, Vite, Figma

[Repository Link](#)

Sept 2024

- Built a responsive PWA providing mental health resources for 1000+ users.
- Used React and Tailwind for mobile-friendly design on all screen sizes.
- Created a pixel-perfect implementation of a Figma design in an agile workflow.

Render File

React, Node, MongoDB, YouTube Data API

[Repository Link](#)

July 2024

- Designed a scheduling and content management web app for a YouTube channel.
- Developed an admin mode for seamless schedule updates by the owner.

Meal Map

React, GraphQL, Google Places, Stripe

[Repository Link](#)

May 2024

- Built a restaurant recommendation app using Google Places API.
- Integrated Stripe for donations and used GraphQL for efficient data handling.

EXPERIENCE

Freelance Web Developer

Remote

June 2024 - Present

- Built MERN stack applications with scalable design and responsive UI.
- Delivered functional web solutions from Figma designs, using RESTful and GraphQL APIs.
- Worked independently and in agile teams, meeting deadlines and iterating on feedback.

Freelance Musician

Toronto, ON

2017 - Present

- Led bands and performed as a sideman for Toronto's jazz scene.
- Played at notable venues like Koerner Hall, The Rex Hotel, and Walter Hall.
- Proficient in saxophone; self-taught in piano, guitar, clarinet, and flute.
- Composed, recorded, and produced original songs under my musician label.
- Won consecutive Excellence Awards at Humber Community Music School and the Paul Read Scholarship at the UofT.

Server and Bartender

Collective Arts Brewing Taproom, Toronto, ON

April 2022 - Present

- Provided outstanding customer service while managing bar operations.
- Enhanced customer engagement by sharing detailed knowledge of flavor profiles.

EDUCATION

University of Toronto, Full-Stack Web Development Certificate

Nov 2023 - May 2024

University of Toronto, Bachelor of Jazz Performance (Saxophone)

Sept 2018 - Apr 2023
