PROJECTS

Wellness Hub

React, Tailwind CSS, Vite, Figma

Repository Link

Sept 2024

- Built a responsive PWA providing mental health resources for over 1,000 users, optimizing accessibility.
- Used React and Tailwind for a consistent mobile-friendly design on all screen sizes.
- Implemented a pixel-perfect Figma design in an agile workflow, improving development efficiency.

Render File

React, Node, MongoDB, YouTube Data API

Repository Link

July 2024

- Designed a scheduling and content management web app for a YouTube channel, enabling real-time updates.
- Developed an admin mode for seamless schedule updates, reducing manual updates by 70%.

Meal Map

React, GraphQL, Google Places, Stripe

Repository Link

May 2024

- Built a restaurant recommendation app using the Google Places API, enhancing user experience.
- Integrated Stripe for donations and optimized GraphQL for efficient data querying.

EXPERIENCE

Freelance Web Developer

Remote

June 2024 - Present

- Built scalable MERN stack applications with an emphasis on UI/UX optimization.
- Delivered functional solutions from Figma designs, using RESTful and GraphQL APIs.
- Collaborated cross-functionally in agile teams, achieving 95% on-time project completion.

Freelance Musician

Toronto, ON

2017 - Present

- Led and performed in bands across Toronto's jazz scene, including high-profile venues.
- Self-taught multiple instruments and composed original works, showcasing adaptability and creativity.
- Recognized with multiple awards for musical excellence and leadership.

Server and Bartender

Collective Arts Brewing Taproom, Toronto, ON

April 2022 - Present

- Provided exceptional customer service, boosting client satisfaction scores by 20%.
- Demonstrated expertise in flavor profiles, enhancing customer engagement.
